UIB CASUALTY

With Litigation becoming increasingly widespread throughout business, it is important to know your risks and ensure you safeguard your financial position against potential claims arising from employees, clients and other third parties. It is essential that these risks be identified and minimised as far as possible. This should be tailored with an appropriate (re)insurance programme designed to defend against such actions and safeguard the Company's financial position.

The UIB Casualty team provides depth of knowledge and experience to structure and implement the most appropriate bespoke insurance and facultative reinsurance programmes for their clients.

ABOUT UIB CASUALTY

The UIB Casualty team arrange liability coverage for all trades. Our clients include:

- Energy companies from exploration and extraction to the refined product
- Petrochemical refining
- Utilities (Gas, electricity and Water providers)
